

Town Hall on Redistricting Reform

In 2001, the California Legislature redrew legislative and congressional districts, leaving communities throughout California divided. Join us for a town hall to discuss the current redistricting process and its impact on local Southern California neighborhoods. Learn about solutions that would take redistricting decisions out of the hands of self-interested legislators and put them into the hands of an independent commission.

Town Hall

When:

Thursday, August 10, 2006
7:00 pm

Where:

Long Beach City Council Chambers
333 West Ocean Blvd
Long Beach, CA 90802
