

**Section 1. Title.**

This Act shall be known and may be cited as the “Voters FIRST Act.”

**Section 2. Findings and Purpose.**

The People of the State of California hereby make the following findings and declare their purpose in enacting the Act is as follows:

- (a) Under current law, California legislators draw their own political districts. Allowing politicians to draw their own districts is a serious conflict of interest that harms voters. That is why 99 percent of incumbent politicians were re-elected in the districts they had drawn for themselves in the recent elections.
- (b) Politicians draw districts that serve their interests, not those of our communities. For example, cities such as Long Beach, San Jose and Fresno are divided into multiple oddly shaped districts to protect incumbent legislators. Voters in many communities have no political voice because they have been split into as many as four different districts to protect incumbent legislators. We need reform to keep our communities together so everyone has representation.
- (c) This reform will make the redistricting process open so it cannot be controlled by the party in power. It will give us an equal number of Democrats and Republicans on the commission, and will ensure full participation of independent voters – whose voices are completely shut out of the current process. In addition, this reform requires support from Democrats, Republicans, and independents for approval of new redistricting plans.
- (d) The independent Citizens Redistricting Commission will draw districts based on strict, non-partisan rules designed to ensure fair representation. The reform takes redistricting out of the partisan battles of the Legislature and guarantees redistricting will be debated in the open with public meetings, and all minutes will be posted publicly on the Internet. Every aspect of this process will be open to scrutiny by the public and the press.
- (e) In the current process, politicians are choosing their voters instead of voters having a real choice. This reform will put the voters back in charge.

**Section 3. Amendment of Article XXI of the California Constitution.**

**Article XXI of the California Constitution is amended to read as follows:**

The Legislature shall comply with the open hearing requirements of paragraphs (1), (2), (3), and (7) of subdivision (a), and subdivision (b) of Section 8253 of the California Government Code, or its successor provisions of statute.

SEC. 2. (a) A Citizens Redistricting Commission shall draw new district lines (also known as “redistrict”) for State Senate, Assembly and Board of Equalization districts. This commission shall be created no later than December 31 in 2010 and in each year ending in the number zero thereafter.

(b) The Citizens Redistricting Commission (hereinafter the “commission”) shall: (1) conduct an open and transparent process enabling full public consideration of and comment on the drawing of district lines; (2) draw district lines according to the redistricting criteria specified in this article; and (3) conduct themselves with integrity and fairness.

(c) (1) The selection process is designed to produce a Citizens Redistricting Commission that is independent from legislative influence and reasonably representative of this state’s diversity.

(2) The Citizens Redistricting Commission shall consist of 14 members, as follows: five who are registered with the largest political party in California based on registration, five who are registered with the second largest political party in California based on registration, and four who are not registered with either of the two largest political parties in California based on registration.

(3) Each commission member shall be a voter who has been continuously registered in California with the same political party or unaffiliated with a political party and who has not changed political party affiliation for five or more years immediately preceding the date of his or her appointment. Each commission member shall have voted in two of the last three statewide general elections immediately preceding his or her application.

(4) The term of office of each member of the commission expires upon the appointment of the first member of the succeeding commission.

(5) Nine members of the commission shall constitute a quorum. Nine or more affirmative votes shall be required for any official action. The three final maps must be approved by at least nine affirmative votes which must include at least three votes of members registered from each of the two largest political parties in California based on registration and three votes from members who are not registered with either of these two political parties.

(6) Each commission member shall apply this article in a manner that is impartial and that reinforces public confidence in the integrity of the redistricting process. A commission member shall be ineligible for a period of ten years beginning from the date of appointment to hold elective public office at the federal, state, county or city level in this State. A member of the commission shall be ineligible for a period of five years beginning from the date of appointment to hold appointive federal, state, or local public office, to serve as paid staff for the Legislature or any individual legislator or to register as a federal, state or local lobbyist in this State.

(d) The commission shall establish single-member districts for the Senate, Assembly and State Board of Equalization pursuant to a mapping process using the following criteria as set forth in the following order of priority:

(1) Districts shall comply with the United States Constitution. Senate, Assembly, and State Board of Equalization districts shall have reasonably equal population with other districts for the same office, except where deviation is required to comply with the federal Voting Rights Act or allowable by law.

(2) Districts shall comply with the federal Voting Rights Act (42 U.S.C. Sec. 1971 and following).

(3) Districts shall be geographically contiguous.

(4) The geographic integrity of any city, county, city and county, neighborhood, or community of interest shall be respected to the extent possible without violating the requirements of any of the preceding subdivisions. Communities of interest shall not include relationships with political parties, incumbents or political candidates.

(5) To the extent practicable, and where this does not conflict with the criteria above, districts shall be drawn to encourage geographical compactness such that nearby areas of population are not bypassed for more distant population.

(6) To the extent practicable, and where this does not conflict with the criteria above, each Senate district shall be comprised of two whole, complete and adjacent Assembly districts, and each Board of Equalization district shall be comprised of 10 whole, complete and adjacent Senate districts.

(e) The place of residence of any incumbent or political candidate shall not be considered in the creation of a map. Districts shall not be drawn for the purpose of favoring or discriminating against an incumbent, political candidate, or political party.

(f) Districts for the Senate, Assembly, and State Board of Equalization shall be numbered consecutively commencing at the northern boundary of the State and ending at the southern boundary.

(g) By September 15 in 2011 and in each year ending in the number one thereafter, the commission shall approve three final maps that separately set forth the district boundary lines for the Senate, Assembly, and State Board of Equalization districts. Upon approval, the commission shall certify the three final maps to the Secretary of State.

(h) The commission shall issue, with each of the three final maps, a report that explains the basis on which the commission made its decisions in achieving compliance with the criteria

listed in subdivision (d) and shall include definitions of the terms and standards used in drawing each final map.

(i) Each certified final map shall be subject to referendum in the same manner that a statute is subject to referendum pursuant to Section 9 of Article II. The date of certification of a final map to the Secretary of State shall be deemed the enactment date for purposes of Section 9 of Article II.

(j) If the commission does not approve a final map by at least the requisite votes or if voters disapprove a certified final map in a referendum, the Secretary of State shall immediately petition the California Supreme Court for an order directing the appointment of special masters to adjust the boundary lines of that map in accordance with the redistricting criteria and requirements set forth in subdivision (d), (e), and (f). Upon its approval of the masters' map, the court shall certify the resulting map to the Secretary of State, which map shall constitute the certified final map for the subject type of district.

**SEC. 3.** (a) The commission has the sole legal standing to defend any action regarding a certified final map, and shall inform the Legislature if it determines that funds or other resources provided for the operation of the commission are not adequate. The Legislature shall provide adequate funding to defend any action regarding a certified map. The commission has sole authority to determine whether the Attorney General or other legal counsel retained by the commission shall assist in the defense of a certified final map.

(b) (1) The California Supreme Court has original and exclusive jurisdiction in all proceedings in which a certified final map is challenged.

(2) Any registered voter in this state may file a petition for a writ of mandate or writ of prohibition, within 45 days after the commission has certified a final map to the Secretary of State, to bar the Secretary of State from implementing the plan on the grounds that the filed plan violates the State Constitution, the United States Constitution, or any federal or state statute.

(3) The California Supreme Court shall give priority to ruling on a petition for a writ of mandate or a writ of prohibition filed pursuant to paragraph (2). If the court determines that a final certified map violates the State Constitution, the United States Constitution, or any federal or state statute, the court shall fashion the relief that it deems appropriate.

In addition, hearings shall be supplemented with other activities as appropriate to further increase opportunities for the public to observe and participate in the review process. The commission shall display the maps for public comment in a manner designed to achieve the widest public access reasonably possible. Public comment shall be taken for at least 14 days from the date of public display of any map.

(b) The Legislature shall take all steps necessary to ensure that a complete and accurate computerized database is available for redistricting, and that procedures are in place to provide the public ready access to redistricting data and computer software for drawing maps. Upon the commission's formation and until its dissolution, the Legislature shall coordinate these efforts with the commission.

The Legislature may make additional appropriations in any year in which it determines that the commission requires additional funding in order to fulfill its duties.

(b) The commission, with fiscal oversight from the Department of Finance or its successor, shall have procurement and contracting authority and may hire staff and consultants, exempt from the civil service requirements of Article VII of the California Constitution, for the purposes of this Act, including legal representation.

If this measure is approved by a majority of the voters but does not receive a greater number of affirmative votes than the other measure(s), this measure shall take effect to the extent permitted by law.

(b) If any provisions of this measure are superseded by the provisions of any other conflicting measure approved by the voters and receiving a greater number of affirmative votes at the same election, and the conflicting measure is subsequently held to be invalid, the provisions of this measure shall be self-executing and given full force of law.

### **Section 6. Severability.**

The provisions of this Act are severable. If any provision of this Act or its application is held to be invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application.
